## Setting parameters for your CE transcript.

If you wish to ONLY print CE from the OOTA 2023 Conference, use the filters for Date Range on the left to select **10/19/2023 to 10/21/2023** and hit Apply Filters. This will limit the CE shown to only that from conference. Then Export PDF as instructed above.

Please note your On Demand Content (if you watched Poster Presentations on the Learning Platform) should also appear on the transcript but you may need to adjust the date range to capture the completion dates (we suggest using **10/19/2023 to 11/5/2023**).
