

Accessing On Demand Content from 2022 OOTA Conference

Please follow the steps below to access on demand content from the Bridges to the Future 2022 OOTA Annual Conference. You will receive a CE certificate for completion of the online content that is separate from the in-person content.

The steps must be done in this order.

- Go to the OOTA Website and log in. Learning Platform and log in.
<https://www.oota.org/?login=force>

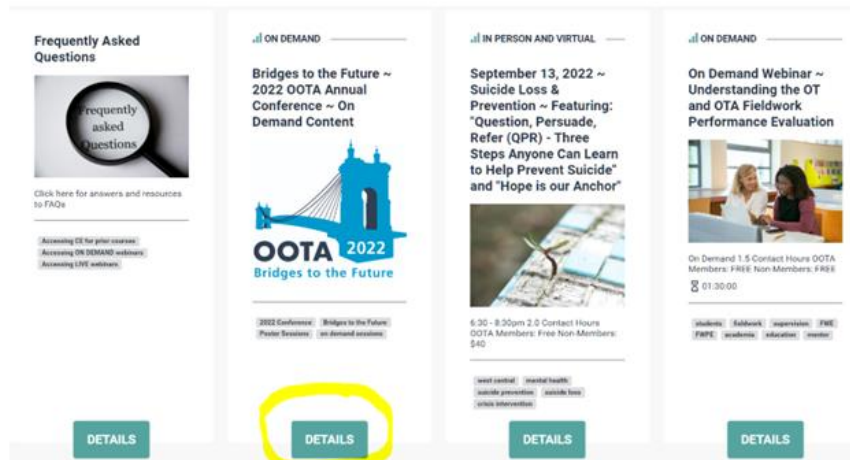

- After you are logged in, click the PINK link to be taken to the Learning Platform.

Thank you for a GREAT conference!!

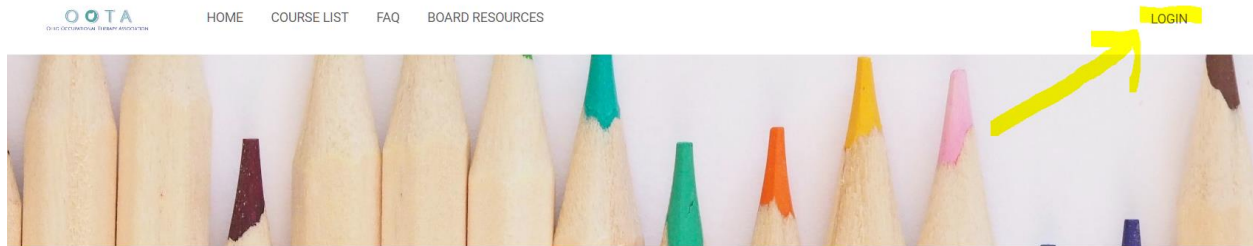

To access your On Demand content through the OOTA Learning Platform, please follow the directions below.

1. Log in on the OOTA website if you haven't already. Log in is found at the top right corner.

2. Once you are logged in here, click this **LINK** to navigate to the OOTA Learning Platform. You will see the option for the Bridges to the Future On Demand Content and can select that to get started.

- You may need to log in again to the Learning Platform. (If you have *never logged into the Learning Platform before*, you will be using your login information from the OOTA main website.)

Our latest continuing education offerings - in person, live webinar, and on demand:

- After logging in, you will remain on the main page. Click on the Details link to open the on demand content for conference.

Once you have completed these steps, you should be able to access all content within the On Demand module. If you are having difficulties or are finding that the links are not opening, PLEASE make sure that you have logged in on the Learning Platform.

Once you have entered the On Demand module, the options for poster sessions (grouped by topic) and two courses are listed.
